

## Product List - FOOD applications

### Acidulants, and derivatives

Citric acid  
Tri-sodium-citrate  
Ascorbic acid  
Tartaric acid  
Lactic acid

### Vitamins, antioxidants and their derivatives

C vitamin – ascorbic acid  
Ascorbates  
(Na, Mg, Ca, Mn)  
A vitamin-acetat, palmitat  
E vitamin – tocopherol  
D2 vitamin - ergocalciferol  
D3 vitamin – colecalciferol  
H vitamin – biotine  
Folic acid  
B12 Vitamin  
D Vitamin  
K vitamin

Beta-carotene  
Na-isoascorbate  
(sodium-erythorbate)

### Colours

Pigments  
Natural colourants  
Water soluble colours  
Blends  
[www.univarcour.com](http://www.univarcour.com)

### Hydrocolloids, thickeners, stabilizers

Carboxymethylcellulose  
Mycrocrystallinecellulose  
Carrageenans  
Guar gum, Tara gum  
Xanthan gum  
Glycerine

**and their Blends**

### Special Whey Derivatives

Caseins  
Caseinates (Ca, Na)  
Whey Proteins  
Milk minerals  
Whey Protein Isolates  
Whey Protein Concentrate  
Lactoferrine  
– Iron protein complex  
Collostrume  
[www.fonterra.com](http://www.fonterra.com)

### Phosphates

Phosphoric acid  
Hypophosphoric acid  
Sebacic acid  
Calcium phosphates  
Aluminium- phosphates  
Ammonium- phosphates  
Chlorinated Na-phosphates  
Sodium polyfosphates

### Preservatives

Sodium-benzoate  
Sorbic acid  
Potassium-sorbate  
Ascorbic acid  
E vitamin - tocopherol

### Sweeteners

Fructose – sugar-beet based  
Sucralose  
Aspartame  
Acesulfame-K  
Sodium-sacharinate  
Sodium-cyklamate  
Polydextrose (Litesse)  
Xylitol (DC grade too)  
Lactitol (DC grade too)  
D-Xylose  
Erythritol

### Herbal Extracts

Green Tea  
Ginko Biloba  
Echinacea  
Ginseng  
Grape seed  
Rose-hips  
Rosemary  
Cinnamon  
Soy bean  
Valeriana  
Tribulus Terrestris

### Specialities

L-Carnitine-tartrate  
Acetylcarnitine HCl  
Creatine monohydrate  
Caffeine  
Taurine  
Astaxanthine  
Cantaxanthine  
Lutein  
DHA / Omega-3  
Coenzim Q10  
Lycopene  
Rethynol  
Trethynoino  
Glucosamine  
Chondroitine  
Glutamine  
Lisyne  
MSM (Me-sulphonyl-Me)  
PVP (povydone),  
PVPP (crosspovydone)  
PVP-Iodine complex  
PVP / VA copolymer  
Minerals and their salts  
**and their Blends**

### Other ingredients and additives

Magnesium-stearate  
Mono-sodium-glutamate  
Glucono-delta-lactone
