

This certificate certifies that the Univar site is serious about safety and importantly -

Morolo

"Has met all the **U+** goals and became a **U+** site on 29th June, 2009"

Congratulations to everyone on becoming a certified **U+** site. Achieving the highest standards in Safety, Health, Environmental and Quality performance is one of **Univar Europe's** main aims. This award confirms that everyone on this site is contributing to the performance achieved.

Approved by: 

Michael Cooke - European SHEQ Director

Awarded by: 

John van Osch – President, EMEA

The certificate is valid for a maximum of 3 years. Certification can be removed if the site fails to maintain the **U+** goals during this 3 year period or if at the next **U+** audit sufficient improvement has not been made.
