

SERIOUS ABOUT SAFETY:
*Univar sets the standards higher
than the current legislation to
provide the safest environment
possible.*

REACH Customer Information

A lot of interesting things happens in the REACH field! ECHA recently added eight more substances to the candidate list of Substances of Very High Concern.

[Click on the link below to see Customer Bulletin 18.](#)

Univar have developed a self-service web-portal tool to assist you in REACH enquiries. It allows you to look at the REACH status of products we supply. The database can be accessed from www.univareurope.com by following the REACH links from the main page.

[For more information click here to open the REACH web-portal!](#) Instructions can be viewed through links below.
